- As a user I want to land on a page that shows the title of the game “Who wants to be a millionaire” then press start game button
- I want to see the question with four answer buttons to chose
- I want to see the money I made after every question I answer correctly
- If I chose the wrong answer the money goes back to zero and I have to start over again
- If I clicked on the right answer, I want to correct answer to turn green
- If I clicked the wrong answer, I want the wrong answer to turn red
- After answering 10 correct answers you will receive a message saying “Congratulations! You are a millionaire!”
